

CLINICAL EXTERNSHIPS (LAW4803)

A clinical externship will give you the opportunity to engage in placement hosted by, or under the aegis of, an external organisation. Under professional supervision, you will undertake a range of activities involving work for end clients/ beneficiaries of that host organisation.

Organisations providing externships include:

- Carlton and United Breweries
- Crowd & Co
- Family Violence Clinic
- Human Rights Clinic
- JobWatch Clinic
- Public Transport Ombudsman
- King & Wood Mallesons
- Slater & Gordon
- Supreme/ Country Court of Victoria Clinic

PRE-REQS

- Depending on the year in which you began your Law degree, there are a series of pre-requisite first and second year subjects that must be completed prior to applying for an externship
- See unit handbook for more info

UP-SKILLING

- Greater understanding of social justice and access to justice issues
- Practical legal and research skills
- Communication
- Teamwork

APPLICATION DETAILS

- Each externship has its own period during which it will receive applications
- See emails regarding upcoming externships
- Consult unit handbook for more information
